

TEST

This test, in total, is a series of questions that were designed to help you understand where exactly you stand on the [REDACTED] scale with [REDACTED].

During the process, please make sure you are *alone* and are recording yourself performing this exam, ensuring all your answers are documented. Send this appropriate footage to a nearby [REDACTED] for analysis, and then board up your windows and doors as you wait patiently for a letter to be sent in the mail. Do not let anyone know you are taking this test.

While you *can* opt out of testing, it is strongly recommended to perform this test, for your safety and the safety of others. More information is available on the following pages.
